ASN Agrees To

- Add the Client's branding to an unbranded property tour at no additional charge.
- Make the program available online at BeautifulHomesTV.com on Channel 3.

Broadcast dates and times are determined by ASN and may be viewed through the Roku TV Guide. ASN may adjust the schedule when necessary for programming or technical reasons.

The Client Agrees To

- Provide ASN with a working link to the property tour or the necessary elements to create the property tour.
- Ensure that all submitted information and advertising comply with applicable real estate, fair housing, brokerage, and advertising requirements.

Fees

- \$300 total participation fee for 60 days of national television exposure.
- Additional \$95 if ASN creates a property tour using its tour-production software because the Client does not have a completed video tour.

Production and broadcast services will begin once the invoice is paid.

Advertising Results

ASN will provide the promotional and broadcast services described in this Agreement. However, ASN does not guarantee a specific number of viewers, inquiries, offers, showings, or sales.
